

NUMERICAL INDEX — DIVISION 502

COMMON BATTERY

STATION SETS

1. GENERAL

- 1.01** This section provides an index of System-issued sections in Division 502.
- 1.02** A bullet (●) indicates an item that has been added or changed since the previous issue of the index.
- 1.03** A square (□) indicates a canceled item. Information relating to the cancellation, if necessary, will be shown in a note following the item. Canceled items and related notes will be deleted upon reissue of the index.
- 1.04** "Add" is the abbreviation for Addendum and "App" is the abbreviation for Appendix.
- 1.05** *These layers provide two listings of practices. The new layer lists new BSP numbers. The old layer remains the same. Old sections will be canceled when the included material has been moved into new practices.*
