

Common Channel Signaling System (CCSS)

1. Purpose

- 1.01** This index provides a listing of documents in Division 256.

2. How to Use This Index

- 2.01** For additional index information, refer to 000-000-002, *Lucent Technologies Master Index — 9-digit Numbered Documents*. The Master Index contains all divisional indexes.

3. Conventions Used

- 3.01** A bullet (●) indicates an item that has been added or changed since the previous issue of the index.
- 3.02** An open square (□) indicates a cancelled item. Information relating to the cancellation, if necessary, will be shown in a note following the item. Cancelled items and related notes will be deleted upon reissue of the index.
- 3.03** A square with an enclosed "A" (Ⓐ) indicates an archived item. An archived document is one that, in all probability, will never be revised and/or has had no distribution activity for an extended period of time. Archived documents can be ordered.
- 3.04** A solid square (■) indicates that distribution of this item is limited.

- 3.05** A solid circle with an enclosed "1" (❶) indicates an item that will not be distributed on standing order.

- 3.06** A solid triangle (▲) indicates a TOP (Task Oriented Practice).

- 3.07** An electronic media symbol (Ⓜ) indicates an item is available on CD-ROM, magnetic tape, or other electronic media.

- 3.08** Addendums, revisions, and supplements are listed *above* the associated document. Appendixes are listed *under* the associated document.

4. How to Order Documentation

- 4.01** To order this document:
- Lucent and commercial customers, call 1-888-LUCENT-8 (582-3688).
 - AT&T customers, call 1-800-432-6600.

5. How to Comment on This Index

- 5.01** We value your opinion. We would like to know how well the index meets your needs. Please send comments on this index to:
