(FOR PERSEVERANCE)

## COLORFUL — ECONOMICAL AROUND-THE-CLOCK SOURCE OF REVENUE

### THE ALL WEATHER PLASTIC OUTDOOR TELEPHONE BOOTH

**Features:** The popular PLASTIC GLO-DOME Top which glows at night and has "Telephone" sign on all four sides. Top is so constructed that it drains water and snow to corners. Can easily be seen at night.

OUTSIDE Panels are COLORED PLASTIC, Reinforced with Fibre Glass Threads. Will never require painting but can be easily painted if desired. Strong, Weather Resistant, Acid and Alkali Resistant, Durable, Stone-Proof, Kick-Proof, Defies Deterioration—and even Dogs.

The glass is of double strength and mounted in Aluminum Neoprene Caulked Moulding. Size 23 x 38.

INSIDE of Booth is reconstructed from used indoor units, completely weatherproofed, folding door with glass panels, Oak Floor treated to withstand all weather, Caulked Joints, Hard Black Plastic Writing Shelf, Chain for Telephone Directory, Ceiling Light for lighting inside of Booth as well as the GLO-DOME.

COLOR: Bright Fire Engine Red.
