INSTALLATION SPECIFICATION NO. 1130

concerning

GENERAL ASPECTS OF INSTALLATIONUAX NZ13

(EIC 393/3/4)

ADDENDUM NO. 6

7.0 COMMON SERVICE TERMINAL STRIPS - A, B, & C Units.

7.1 This Addendum shows extracted drawings for quick reference to common service terminals, UAX A, B & C units.

7.2 The common service terminal strips have become untidy, and the signwriting has begun to disappear, where units have been worked on or changed.

7.2.1 The signwriting can be re-done to the attached drawing.

7.3 The terminal strips have remained almost standard through the series of UAX applications over 25 years.

7.4 For the terminal strips in A & B units see sheet 1 of drawing NZPO 41081.

7.4.1 The terminal strips in C units are of two types:

MK 1 & MK 2 sheet 2 NZPO 41081
MK 3 & MK 4 sheet 3 NZPO 41081

The figure numbers on the drawings are the same as on the original Company drawings.

7.5 LIST OF EQUIPMENT DRAWING Numbers A, B & C units.

A units

<u>GEC</u>		<u>AT+E</u>
640783	Supply No. 1
