

Telephony 101 -- Archive of Notes

December 12, 2012

Hello All,

Is it clear to everyone that all the contents of all the e-mails on Telephony 101 (i.e., the notes, questions, and answers) are on the TCI web site at the following link? These contents are in pdf format and may be easier to read -- and refer to -- than the e-mails themselves.

<http://www.telephonecollectors.info/telephony-101/>
