

*Let
Long Distance
round out the family
circle*

IS THERE some one in your family who hasn't been home for a long time? Perhaps a youngster away at school . . . a son or daughter married and living out of town . . . a husband off on a business trip.

They have good news and cheer for you—just as you have for them. And wouldn't it do them a lot of good to hear the sound of your voice?

Long Distance rates to most out-of-town places are much lower every evening after seven, and all day Sunday . . . about 90 miles for 35c; 150 miles for 50c; 425 miles for \$1 (3-minute station-to-station rates).
