

# VP-2048C 48 VOLT DC POWER SUPPLY

### IDENTIFICATION

The VP-2048C is a fully regulated 48VDC 2 Amp power supply ("A" Battery). The input is fuse protected and the output is floating with respect to ground. The regulator will maintain 48 +/- 3 Volts over the entire input voltage range. Upon power up, a load greater than 2 Amps will shut the power supply off. Short circuit protection is also provided. The VP-2048C can be used with Valcom V-1038 paging horn or any application where 48VDC filtered ("A") battery is required. The VP-2048C is CSA, UL and CE listed.

### **VALCOM LIMITED WARRANTY**

Valcom, Inc. warrants its products to be free from defects in materials and workmanship under conditions of normal use and service for a period of one year from the date of shipment. The obligation under this warranty shall be limited to the replacement, repair or refund of any such defective device within the warranty period, provided that:

- inspection by Valcom, Inc. indicates the validity of the claim;
- 2. the defect is not the result of damage, misuse or negligence after the original shipment;
- 3. the product has not been altered in any way or repaired by others and that factory sealed units are unopened (a service charge plus parts and labor will be applied to units defaced or physically damaged);
- 4. freight charges for the return of products to Valcom are prepaid;
- 5. all units 'out of warranty' are subject to a service charge. The service charge will cover minor repairs (major repairs will be subject to additional charges for parts and labor).

This warranty is in lieu of and excludes all other warranties, expressed or implied, and in no event shall Valcom, Inc. be liable for any anticipated profits, consequential damages, loss of time or other losses incurred by the buyer in connection with the purchase, operation or use of the product.

This warranty specifically excludes damage incurred in shipment. In the event a product is received in damaged condition, the carrier should be notified immediately. Claims for such damage should be filed with the carrier involved in accordance with the F.O.B. point.
