

MATERIALS

GENERAL

1. GENERAL

1.01 This section provides a list of BSP sections covering greases, oils, and cleaning fluids.

1.02 This section, which formerly listed greases, oils, and cleaning fluids, is reissued to delete this information and to provide instead a list of the individual sections which now cover these materials.

1.03 The sections are as follows.

Greases	065-330-102
---------	-------------

Oils	065-330-110
------	-------------

Cleaning Fluids	065-330-120
-----------------	-------------
