

BEAUTY ON DUTY

A bedroom extension phone saves steps by day, worry by night, and gives you privacy always!

You'll love the color and convenience of an extension phone by your bed.

During the day it will save you many, many steps—let you talk in comfort and privacy whenever you want.

And during the night you'll sleep better just knowing it's there, with doctor, drug-store, police or firemen only an arm's reach from your pillow.

Something else you'll love—the low cost

of having a bedside extension. And the bedroom, of course, is only one of many places in your home where an extension phone can make life easier. Just call your local Bell Telephone business office.
