TOUCH-SPEED

Dial Communications Service

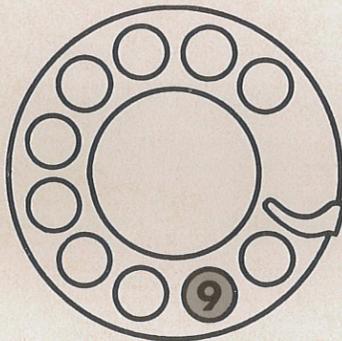

**an all purpose business
communications service
which more than pays its way**

This modern, compact console controls up to 10 trunks and 60 telephones in the Touch-speed Dial Communications Service. Together they give you the most advanced communications system available for your needs today . . . your expansion tomorrow.

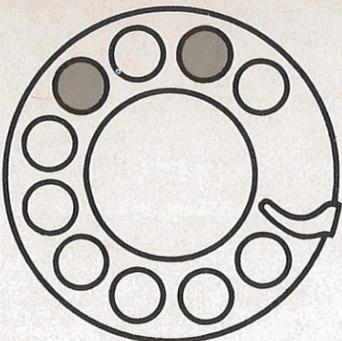

Touch-speed Dial Communications Service gives your business all these immediate and long range advantages:

FAST, DIRECT "OUTSIDE" DIALING

- Dial 9 for instant "outside" dial tone.
- System handles as many as 10 outgoing calls at once.
- Complete privacy assured.
- No switchboard delay.
- Completely automatic—even after hours.

FAST, DIRECT DIAL INTERCOM

- All phones are intercom stations—just dial 2 digits.
- Use the same phone for both "outside" and "inside" calls.

- Engineered to handle all your intercom calls.
- Complete privacy assured.
- Completely automatic—even after hours.
- Automatic call routing to second line if called line is busy.

PRIORITY INCOMING CALL HANDLING

- Your telephone receptionist handles incoming calls only.
- She can give incoming calls her full attention.
- Incoming calls to busy phones can be "camped-on." Caller is automatically connected when line is free.
- Incoming calls, after hours, are automatically routed to any inside telephone you select.
- Designed for rapid expansion and service changes as your business builds.
- Expandable to 10 dial trunks and 60 telephones.
- Packaged in compact units for quick installation.

- Works with intercity tie lines, code calling, telephone dictation and your loudspeaker paging equipment.

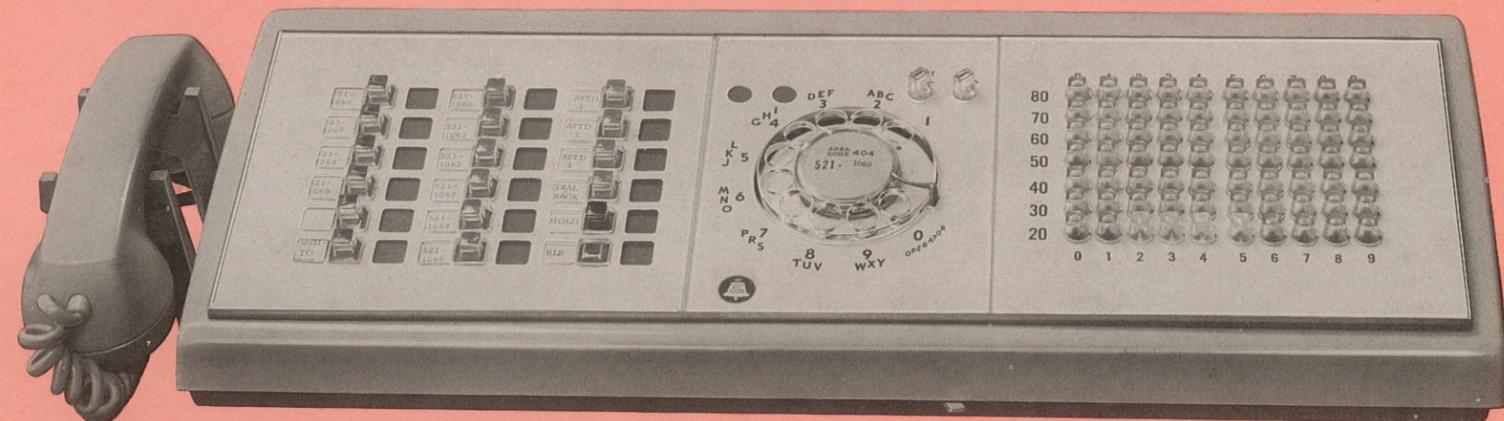

MORE THAN PAYS ITS WAY

- The Touchspeed combines a PBX service and an advanced intercom system in a single cost-saving package. No duplication.
- Cuts manual PBX operating time up to 75%.
- Prompt, reliable maintenance at no extra cost.
- We add equipment as you need it.
- We make changes as your needs change.
- No capital investment.

The Touch-speed Dial Communications Service gives you the finest internal and external communications for all your business functions—Administration, Purchasing, Production, Distribution.
