*KELLOGG Switchboards, Telephones &  
Supplies*

*GENERAL CATALOG NO. 10  
1941*

*Catalog Index*

A general telephone, switchboard and line supplies catalog distributed in 1941, the last catalog before WWII, it would be 8 years before a replacement would be printed in the number 11, 1949. This catalog was produced in looseleaf form and this copy had several inserts from 1946 and 1947 (the 1000 series sets) however it is presented in this PDF in its 1941 published format. A companion catalog (number 100) was also produced for the magneto orinated manual central office companies, and is available in the PDF format from the Kellogg website.
